Dear peers

The Portuguese team from Alpiarça had arrived safe home!!!!

On Monday morning it was hard!!!! 😊

We would like to thank you all the great moments we spent together and the great learning we had during that week.

Thank you all and if you come to Portugal please let us know! We would be glad to welcome you!!!

Best regards

The Portuguese Team

Hi everybody,

I hope you've all had a safe journey back home and that you won't find it too difficult to go back to "real life" tomorrow morning.

For us (the 4 from Haute-Savoie), the trip back to our part of French Alps has been nice and we've arrived yesterday, around 8 o'clock at home.

Waiting for our flight we've thought of you visiting Winchester: hope you've all had a nice trip there.

It has been a real pleasure to meet all of you, and to share about our different jobs and national systems of education during the course and during all the informal moments we've had. I'll keep very good memories of that week in Southampton.

Hope to meet you again, and if necessary or if you happen to come to the region of Annecy, feel free to contact me, I'll be happy to be your guide.

Best wishes.

Dominique
